Hi Kristen,

I have searched on our website and cannot find a link to the appendices as a whole. Some like the SW-846, are available separately in an updated version, but I've had no luck finding the others. I will see if anyone in our office has a paper copy. The age of the document may make it difficult to find.

I will let you know if I am able to find something.

Subject: Task Oeder Reference - RCRA Corrective Action Plan, Appendix request

Bob,

I am finalizing the comments on Task Order 3012 that were initially shared in our March 23rd meeting. Task Order 3012 References OSWER Directive 9902.3-2A and provides the following link:

https://www.epa.gov/epaoswer/hazwaste/ca/resource/guidance/gen_ca/rcracap.pdf

The Document and Table of Contents references Appendix A-G, but I was not able to find the referenced appendices via the link provided.

Could you please provide the Appendices to the referenced document.

Thank you,

Kristen Hanson
